POZIV ZA PREDLAGANJE PROJEKTOV 2020

Strokovni svet direktorja Instituta "Jožef Stefan" objavlja peti interni poziv za predlaganje projektov Direktorjevega sklada, ki so namenjeni nakupu ter izgradnji nove raziskovalne infrastrukture v okviru internega investicijskega projekta z namenom, da se olajša in omogoči ustvarjanje obetajočih novih raziskovalnih področij raziskovalkam in raziskovalcem mlajše generacije. Na podlagi ocenjevalnega postopka bosta v financiranje izbrana eden ali dva predloga, ki bosta vsebovala jedrnat in jasno predstavitev nove infrastrukture in bosta ustrezno utemeljena. Predloge projektov lahko pošljejo mlajše raziskovalke in raziskovalci do sedem let po doktoratu, ki želijo nadaljevati svojo raziskovalno pot na Institutu. Predlogi projektov morajo biti napisani v angleščini v skladu z objavljenimi navodili.

- *Objava poziva: 28. november 2019*
- *Rok oddaje predlogov projektov: 3. februar 2020*
- *Objava sklepa o izboru: 27. marec 2020*

DIRECTOR'S FUND

CALL FOR PROPOSALS 2020

The Director's Council of the J. Stefan Institute announces the fifth Call for Proposals for the Director's Fund projects, which focuses on purchasing and/or developing a new research infrastructure (as part of an internal investment project) with the aim to facilitate and enable the creation of promising new research areas for younger generations of researchers. Either one or two proposals that include a concise and clear presentation of the new infrastructure and its justification will be selected on the basis of a comprehensive evaluation process. Eligible applicants are those younger researchers who have completed their doctorates within the past 7 years and have decided to continue their research careers at the Institute. The proposal must be written in English.

- *Publication of the Call: November 28, 2019*
- *Deadline for submission of proposals: February 3, 2020*
- *Announcement of final decision: March 27, 2020*
